- **Food service:** 1 gallon to 50 gallon formats

RUN PARAMETERS

- **Minimum run:** 1,000 gallons per batch
- **Cadence:** orders placed at least quarterly
- **Capacity:** scales from first run to nationwide volume

CERTIFICATIONS

SQF Certified

Kosher (OU)

Gluten-Free

HOW IT WORKS

- 1 Tell us your product**
Share your recipe or idea and target volume. We respond within two business days.
- 2 Formulate & scale**
Our food scientists dial in the formula to taste right and run right at production scale.
- 3 Run & fill**
Hot-filled in 1,000-gallon-plus batches under SQF-audited quality controls.
- 4 Ship & grow**
Cases leave San Antonio for shelves nationwide; capacity scales as your brand does.

WHY BRANDS CHOOSE US

- **No house label.** We never sell our own products, so your recipe and shelf space stay yours.
- **Long partnerships.** Many brands have grown with us for more than 20 years.
- **Audited quality.** Food-safety controls validated and continuously monitored, batch after batch.

Who we work best with

Established brands that can meet our 1,000-gallon minimum with at least quarterly orders. Sound like your brand? Let's talk.
